SPANISH FROM NURSERY TO GCSE

New Term

About Us

- Amaia is a local Spanish mum that
- has been a Spanish Tutor to our
- children from nursery to passing
- their GCSE for over 10 years in
- Wanstead House, Becket Centre
- our schools and online.

Local Tutor for over 10 years

Nursery

After School Clubs

GCSE's

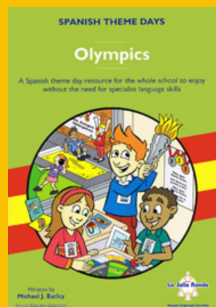

"Both my children have been studying Spanish with Amaia since year 2, at Wanstead House. They then joined the after school club she runs at Our Lady of Lourdes School. They even did the online lessons during Lockdown. They now both study Spanish at Trinity. They love it!"

What our parents say...

"Our eldest son did one to one lessons with Amaia for his GCSE exams. Luke loved her lessons and he achieved A*."

Why Spanish?

- It is the official language in 21 countries with nearly 600 million native speakers
- It's becoming very popular globally as a 2nd foreign language
- Most European children learn Spanish & all of them learn English

When To Start

- The younger they are the easier it is
- Children enjoy learning a foreign language
- Their ability to learn quickly is very helpful
- Kids copy the accents and their speaking skills will be more authentic
- If they start learning late the experience might not be that natural or positive

Lifelong Benefits

- They do better academically
- English vocabulary skills increase
- It boosts their confidence
- Kids connect with other cultures and build tolerance
- Bilingual kids find it easier to learn a 3rd language
- Greater opportunities as an adult
- Employability in the UK & abroad

Why Learn With Us

- OUR EXPERIENCE: We've been teaching many local children for over 10 years
- OUR EXPERTISE: Our successful & an award winning methodology
- HAPPY CHILDREN: Kids enjoy learning Spanish with us and do the whole programme.
- SOLID FOUNDATION: At secondary school 99% of them take Spanish for GCSE achieving the best grades.
- HAPPY PARENTS: They support us all along and some even learn Spanish
- OUR COMMITMENT: It's our mission that kids learn Spanish in a fun & educational way while we support & enrich our communities
